

**General Plan Resource Directory
Comment Form**

Please list any suggestions you have for improving the Directory:

If you have no suggestions for improvement, was this Directory helpful and if so, why?

Did we miss any policies that you think are cutting edge and why?
(For example: How does the policy help the city become more sustainable?)

Name of the City: _____

Are there policies that appear cutting edge but there is a loophole that weakened the policy?
(For example: When the policy was applied it didn't work out as hoped).

If you'd like us to contact you about your comments or suggestions, please provide the following:
